Program

Thank you for joining us for an evening of delicious appetizers, drinks, dinner, and entertainment featuring the Third Grade Choir, a performance with hypnotist, Chris Lee, and a live auction. During registration and raffle ticket sales, make sure to grab a drink and some appetizers to kick off the evening. After a warm welcome and greeting, enjoy dinner and the choir performance. The live auction and hypnotist will provide exciting opportunities to bid on unique items and watch our talented choir perform. Finish off the night with dessert and coffee, and don't forget to stick around for the announcement of the raffle winners. At the end of the night, be sure to pick up any live auction items you won at the check-out tables.

Thank you for all that you do.

Thank you for joining us!

Thank You

The Hebrew Academy is an early childhood through high school, two-time National Blue Ribbon Distinguished School. In the past, the funds we raised during Auction Royale - with your help - went directly to support the Hebrew Academy's financial aid programs, equip our classrooms with leading-edge learning technology, build our library, maintain our beautiful campus, expand our sports program, upgrade the lunch area, and update the preschool playground equipment.

This year, the Hebrew Academy is excited to announce that funds raised will go toward Phase 2 of the much-anticipated Recreational Play Zone Upgrade. This

vital project will revitalize the outdoor play area, transforming it into a vibrant and safe space for students to enjoy a variety of activities such as basketball, four square, hopscotch, volleyball,

tetherball, and many group games. The upgraded zone will feature hardscape and softscape areas with bright game markings, and enhanced designs, making it ideal for physical education classes, recess, and after-school programs. By supporting this initiative, we are investing in our students' physical health, teamwork, and love for outdoor play, ensuring they have a dynamic environment to thrive.

We appreciate your support in this year's project and all of our enriching programs for children and families. Your contributions are what make the Hebrew Academy community so special and help us transform lives, one child at a time.

Thank you for your support.
